

WESTCHESTER CONDOMINIUM ASSOCIATION, INC.

FINANCIAL STATEMENTS

For the Three Months Ended March 31, 2021

PM PELLEGRINO &
& M McFARLAND P.A.
CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors
Westchester Condominium Association, Inc.
Longboat Key, FL

Management is responsible for the accompanying financial statements of Westchester Condominium Association, Inc. which comprise the statement of assets, liabilities, and equity—modified cash basis as of March 31, 2021, and the related statement of revenues and expenses - modified cash basis budget vs. actual for the three months and period ended March 31, 2021, and the related supplementary statements for the one month then ended vs prior year month, in accordance with the modified cash basis of accounting, and for determining that the modified cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any assurance on these financial statements.

The financial statements are prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has elected to omit substantially all the disclosures ordinarily included in financial statements prepared in accordance with the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Association's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Required Supplementary Information

Management has omitted the supplementary information about the future major repairs and replacements of common property that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, who considers it to be an essential part of financial reporting and for placing the basic financial statements in an appropriate operational, economic, or historical context.
